PRECONTRACT APPROVAL RECORD

(PART TWO)

IK-4666

The services and equipment being procured by this Contract No. IK-4666 are in furtherance of the LANYARD Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

25X1A This Amendment No. 1 to Contract IK-4666 increases the funding in the amount of [] to cover termination costs. Contract IK-4666 was terminated on 23 October 1963. This brings the total amount allotted to Contract IK-4666 to [] 25X1A

Funds were made available to the Contracting Officer in Headquarters Document No. TS-155939 dated 12 September 1963.
